

## American Lincoln Part

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are known within the business as providing durable and strong equipment that suits all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company who is presently also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln could supply machines, components and warranty service for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in different construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
