

Cascade Clamps

Cascade Clamps - Established in Portland, Oregon in 1943, the Cascade Manufacturing Company started as a small machine shop employing only four people. Overall sales for that year totaled \$60,000. The first recorded sales revenues involved the machining and assembly of stainless-steel pipe fittings, valves and other parts. Within five years of operation, the company had stretched to 40 employees and their annual sales volume had increased to \$330,000. Today, Cascade is amongst the top worldwide makers within the material handling business.

Production and design of the company's very first hydraulic cylinder paved the way in Cascade's aggressive pursuit of better business opportunities. Over the last 60 years, the material handling industry has grown into a highly advanced area and Cascade has proudly performed a part on this growth. Cascade currently continues to grow as the best provider of lift truck attachments and different associated items. The company feels assured in their ability to be able to continue to lead the way within the business by understanding customer's needs in the future and remaining aggressive in the global market.

In the 1950's, Cascade began designing, fabricating and selling hydraulic accessories. Manufacturing was finished in 1956 on a new office to be able to house all of the office and plant operations in Portland, Oregon at the company's present headquarters. Following 15 years of business, total employees reached one hundred eighty workers and sales had reached nearly \$2,300,000.

A second production plant was built in 1959 in Springfield, Ohio. nineteen sixty marked Cascade's initial move into the global world of the material handling industry as the company established interest in the Netherlands, England, and Australia.

The company altered its name to Cascade Corporation in 1964. In 1965, Cascade went public with a preliminary offering of 200,000 shares of common stock. The company has expanded its production plants within the U.S. with locations in Springfield, Ohio, Warner Robins, Georgia, Portland, Oregon. Cascade merchandise are manufactured worldwide because of a lot of subsidiary operations. In the year 1944, a new plant was accomplished in Almere, the Netherlands which is Cascade's European head office. This facility is built to be the ultimate customer support centre.

Continuing to develop, Cascade expanded their product offering further in 1996 and the year 1997 with the remarkable acquisition of 5 corporations, along with the global best in blades, the Kenhar Corporation.
